### **How to cite this erratum**

Goldman G S (September 07, 2021) Correction: Insights on the Impact of External and Internal Boosting on Varicella-Zoster Virus Reactivation Based on Evidence From the First Decade of the United States Universal Varicella Vaccination Program. Cureus 13(9): c47. doi:10.7759/cureus.c47

## **Correction Notice**

This article was published with an incorrect reference: #36 was originally submitted as 'Seward JF, Jumaan AO, Galil K, Wharton M: Varicella vaccine and shingles—reply. JAMA. 2002, 287:2211-2212.' but due to the inclusion of an incorrect reference, it was automatically (and incorrectly) changed to the following: 'Stevenson LW: Treatment of congestive heart failure. JAMA. 2002, 287:2209-10.'

The incorrect reference #36 (Stevenson) has been replaced with the original, correct reference (Seward et al). Cureus deeply regrets the error and any confusion caused as a result.
