How to cite this erratum

Smirlis E, Obholz J, Eineichner T, et al. (March 28, 2022) Correction: A Case of Suspected Statin-Related Delayed Onset Necrotizing Myositis. Cureus 14(3): c62. doi:10.7759/cureus.c62

Correction Notice

The attending physician, Babajide Adio, was wrongfully excluded from this submission by the submitting author. Dr. Adio personally made contributions to the conception, design, draft and critical revision of the work prior to submission and should have been included as an author. The submitting author deeply regrets this mistake. The article has been corrected with Dr. Adio now listed as the fourth and final author.
